

## **Our Applications are Open!**

Hello Everyone!

Our applications for September 2023 enrolment are now open! The deadline to secure students' first choice of subjects is **Friday 16 December 2022**.

Applications will be open past this date but we cannot guarantee that students will get their first choice of subjects.

I have included some helpful FAQs below:

### **How do I apply?**

Head to our [website](#)! Click on the course that you're interested in and hit "Apply Now". You'll be asked to make an account for our new Application Tracker. You're now able to see where your application is within the college.

### **Can I apply for all of my subject choices on one application?**

Yes! You will have the opportunity to click on each subject that interests you. You can apply for up to 4 subjects.

### **What happens after I've submitted my application?**

Your application will go straight to our amazing Admissions Team who will invite you along for a Course Guidance Meeting with one of our tutors. It's an informal process and gives you the chance to ask any questions you may have about the college and our courses.

### **Am I limited on how many applications I can submit?**

No! You can fill in as many applications for as many colleges as you like. Keep your options open and apply to wherever interests you. The choice is completely yours!

### **What happens if I change my mind on my courses?**

Get in contact with our friendly Admissions Team ([admissions@worthing.ac.uk](mailto:admissions@worthing.ac.uk)) and they will be happy to swap your subjects for you.

So what are you waiting for? Click on the button below to get your application started!

### **Open Events Booking**

Our November Open Events are still open for bookings. We can't wait to welcome prospective students and show them what we have to offer.

They'll have the opportunity to meet our teachers, see our facilities and see what makes Worthing College so brilliant!

Follow the links below to book on.
